ANNUAL MEETING AT DEL MONTE.

The annual meeting of the California State Medical Society will be held at the Del Monte Hotel, April 16, 17 and 18. A program of timely and unusual interest is being prepared. The place and season of the meeting insure a splendid outing for every doctor in attendance. Special announcements and a tentative program will be published next month. It should be the pleasure of every doctor in the state to attend this meeting if he can possibly do so. He is the one who will profit most by attendance. Give the matter serious thought and make your reservations early.

RAILROAD RATES:

A railroad rate of one and one-half lowest one way first-class fare per capita for the round trip on the receipt-certificate plan from all points in California, provided fifty (50) or more are in attendance, will prevail. When you buy your ticket to go to Del Monte, pay the full fare and get a receipt-certificate. When you get to Del Monte, present this to the State Secretary to be signed and then when you get your return ticket, hand this receipt to the agent and he will give you a return ticket for one-half fare.

Do not fail to get the receipt-certificate, or to have it signed by the State Secretary, for if you do, you have no redress.

Every delegate should make it his first business to attend this session as matters of the utmost

importance will come up for consideration. Questions have arisen in which every member of the Society is vitally interested and the delegates who represent large numbers of our members who cannot attend, should be sure to be present, even if at a personal sacrifice.

Secretaries of county units should make it their special duty to attend this meeting so that they may be in a position to explain to their members just what was done and why.

County secretaries can talk more effectively to their members on Society matters by having attended this meeting.

Hotel Rates: Hotel Rates are on the American plan.

Single room without bath, \$5.50 per day, one person.

Double room without bath, \$10.00 per day, two persons.

Single room with bath, \$6.50 per day, one person.

Double room with bath, \$12.00 per day, two persons.

SCIENTIFIC PROGRAM.

A large number of good papers have been secured for the coming meeting at Del Monte and a tentative program will be published in next month's Journal. Naturally in these times various problems connected with the war work are of paramount interest and accordingly arrangements have been made to have the same presented. There will be sufficient variety to the subjects, however, to insure the presentation of a program of unusual value and interest.
